

**KINGSWAY PLATFORM
TENNIS CLUB
AFTER SCHOOL JUNIOR
PROGRAM**

Looking for a fun, *supervised* afterschool activity where your child(ren) can try a new sport, get some fresh air, learn new skills and make new friends?

Try the KPTC Junior After School Program.

****This is a fully supervised program led by two teachers who are current members of the club****

What is Platform Tennis?

Platform Tennis (or "paddle") is an outdoor winter racquet sport played on a court that is surrounded by tight wire screens. Primarily a game of doubles, the ball can be played off the screens, making play very lively - keeping players warm even in colder temperatures. The court is raised with heaters underneath that help melt the snow.

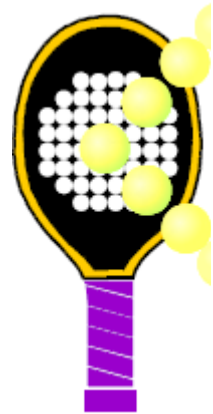

No previous tennis or other racquet experience is necessary - just a desire to have some fun.
